

Perry Harley-Davidson Donations

At Perry Harley-Davidson, we pride ourselves in helping our local community. If your group is interested in a donation for an event, please fill out our Donation Request form by clicking the button below and submitting completed form to us. Donation requests must be made 4 weeks in advance to be given consideration. Due to the substantial number of requests we receive we will not be able to meet the needs of every organization, event, or benefit that applies. Please answer all the questions on the Donation Request form. Receipt of the application is no guarantee of a donation being made. Past participation is no guarantee of future consideration. Please allow at least 2 weeks to process your request. A flyer of the event or benefit or a letter with the information on your business letterhead is **REQUIRED** before donation requests will be considered. Donation requests are filled at the discretion of the dealership staff.

Thank you.
